25X1 25X1A 1. [redacted] [redacted] DDI, called to advise of a briefing session with Minority Leader John J. Rhodes (R., Ariz.) at 4:30 p.m. tomorrow.

25X1 25X1A 2. [redacted] Julie Marshall in the office of Senator Dick Clark (D., Iowa) called to request a briefing on Vietnam at 3:00 this afternoon, and later called to change it to 9:30 tomorrow morning, the 29th of April. [redacted] has been alerted.

25X1 25X1A 3. [redacted] Guy McConnell, Senate Appropriations Committee staff, called and asked if someone would stop by to pick up some material to return to the Agency, including classified trash. [redacted] was alerted.

25X1 25X1A 4. [redacted] [redacted] called to report that a member of the Senate Appropriations Committee has apparently been in touch with Assistant Secretary Philip Habib's people in State on the basis for Mr. Sam Adams' allegations on the estimates concerning Vietnam. Apparently the Senator was identified as Senator Russell B. Long (D., La.), who is not on the Appropriations Committee. The Senator will be or has been advised to contact the Agency concerning this matter.

25X1 5. [redacted] Called Guy McConnell, Senate Appropriations Committee staff, and it will not be necessary to distribute a prepared statement of the Director to the membership on Thursday's briefing on the Agency budget before the Defense Subcommittee. McConnell will want such a statement for his own use prior to the briefing, and

25X1A [redacted] advised that one was sent to McConnell Friday by special courier.
